Making Great Communities Happen

Division Performance Evaluation
FY2016 (October 1, 2015 to September 30, 2016)

Strengths

- After a year in which the Division faced a painful loss of its Chair, the remaining Leadership rallied together and organized themselves to continue to provide value to its members. This shows a great amount of collaboration and teamwork. We're very proud of the Division for remaining united and continuing its great work.

Opportunities

- The events of this year also offer a valuable lesson: No Division can be reliant on 1 person. It's imperative that many volunteers be part of the Division's ongoing efforts, offering different viewpoints, time, and even redundancy to help when things go wrong. This year, please spend extra time developing the Division's bench of new active members—there's plenty to do in the Work Plan, so the more people who can help, the better.

Overall Evaluation

- Meets all criteria.
- Thank you for your ongoing hard work and value you provide to members and the overall organization.
